PROFESSIONAL SUMMARY

Web designer with a degree in Communication aiming to build visually appealing and interactive applications. I have built my reputation in past workplaces as someone who will go above and beyond for clients and thrive in working with others. I am excited to leverage the skills that I have developed in my time as a web designer over the past few years.

WORK EXPERIENCE

WEB DESIGNER

DENVER WEBSITE DESIGNERS | 12/2021 - PRESENT

I was responsible for remodeling existing customer websites to make them more visually appealing for current design standards.

- Interacted with clients to make sure scope of work was correct.
- Use modern frameworks and design components to ensure ease of use on websites.
- Actively wrote code in HTML5, CSS3, Javascript, and Bootstrap

FRONT END DEVELOPER

YOUR WEB PRO | CONTRACT | 3/2021 - 5/2021

I was responsible for remodeling existing customer websites to make them more visually appealing for current design standards.

- Interacted with clients to make sure scope of work was correct.
- Use modern frameworks and design components to ensure ease of use on websites.
- Actively wrote code in HTML5, CSS3, Javascript, and Bootstrap

SENIOR FULL STACK TUTOR/TEACHING ASSISTANT

TRILOGY EDUCATION SERVICES | DENVER, CO | 4/2020- Present

Ensure students achieved thorough understanding of material through one-on-one interaction

- Tutors students on the nuances of HTML, CSS, JavaScript and associated technologies
- Fosters collaborative dynamic built upon agile development model

PRE- INSTALL INSPECTION MANAGER

POWER HOME REMODELING GROUP | Centennial, CO | 1/2017- 10/2019

I was responsible for meeting with clients on a daily basis after contracts were signed to verify the scope of the work and answer any remaining questions the customer had.

- Interacted with contractors to help ensure they are on track to complete project in specified time frame.
- Met with customers during active installations to make certain they were satisfied with the project.
- Coordinated efforts with management companies and Home Owners Associations to secure needed approvals for the project.
